

**Summary from the reference group meeting in TMA4160 the 8. of October:**

- Lectures:
  - The lecturer is encouraged to try to avoid long periods of silence. It was noted from the lecturer that he while he agrees it is hard to avoid if writing up long definitions/theorems. He will do as good as he can.
  - Nothing else was in particular was noted.
  
- Exercise classes:
  - The increase from one hour to two hours for the exercise classes has been an improvement. The lecturer will mention this to the next lecturer.
  
- Webpage:
  - The translation page from english to norwegian is still lacking, other than that good. There will be made an effort make such a page.

Next reference group meeting: Start of November.
