

StudForsk

(Undergraduate research program in mathematics)

Many new, and also some older, projects are available in StudForsk

Completed projects are granted **10.000 NOK**, but no credit points

Can be started **at any time** (in agreement with supervisor)

See homepages for more information and all available projects

<https://wiki.math.ntnu.no/studforsk/start>

Contact: Aslak Buan, Øyvind Bakke or Petter Bergh

The project is financed by Olav Thon stiftelsen
